

Southampton City Council - Historic Environment Record

Conservation Areas - streets and buildings

25/11/2013

Southampton Historic Environment Record: her@southampton.gov.uk

For matters relating to buildings in Conservation Areas, email conservation.officer@southampton.gov.uk

For matters relating to trees in Conservation Areas, email trees@southampton.gov.uk

This is a summary of the streets, buildings and plots of land in each conservation area in the city. Information about Article 4 Directions is also given. It is intended only as a general guide. The best way to find out whether a particular building or plot lies in a conservation area is to use the Southampton Online Maps web site. Some buildings and structures in conservation areas are listed buildings or scheduled monuments; this information is also available on MapSouthampton.
